

5 easy steps for ordering CNSC publications

The CNSC's **Publications – Online Ordering** service can be found at <http://esubmitit.sjcg.com/CNSC>. It allows users to order available CNSC publications in print format or download the electronic version of the publication.

Step 1: View / Search / Select

When you enter the **Publications – Online Ordering** home page, you will be presented with a list of all CNSC publications that are available through our site.

Publications are listed by their CNSC catalogue number, i.e. INFO-XXXX
